

Fredensborg Lamp

in 2 sizes

The lamp head originates from Fredensborg Palace and clearly symbolizes royal inspiration. The Fredensborg lamp is produced exclusively in copper and equipped with a central socket. Up under the roof, a reflector is mounted.

- The lamp head is produced from cast iron and copper
- The glass is vandal-resistant polycarbonate.
- The lamp head is available in 3 different sizes
- The lamp heads are supplied with 5 pcs. E14 sockets, and is thereby prepared for LED light sources. Changing bulbs is easy by flipping the lid.
- Molded parts are treated with: e-coating + 2component primer + 2component anthracite.
- Class 2, CE marking, and IP44.
- Lamp heads are supplied without light
